The Twelve Steps of Cocaine Anonymous

The Twelve Steps describe the Program of Recovery used by Cocaine Anonymous

- 1. We admitted we were powerless over cocaine and all other mind-altering substances... 12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

The Twelve Traditions of Cocaine Anonymous

The Twelve Traditions comprise the organizational guidelines under which the autonomous groups of C.A. function

- 1. Our common welfare should come first; personal recovery depends upon C.A. unity. 12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

WHO IS A C.A. MEMBER?

While the name "Cocaine Anonymous" may sound drug-specific, we wish to assure you that our program is not. Many of our members did a lot of cocaine; others used only a little, and some never even tried coke.

According to C.A.'s Third Tradition, the only requirement for membership is a desire to stop using cocaine and all other mind-altering substances.

It can be tempting to focus on our differences rather than our similarities, but this can blind us to potential sources of support in our recovery.

With its all-inclusive Third Tradition and First Step, Cocaine Anonymous welcomes anyone with a drug or alcohol problem and offers a solution.

"The only requirement for membership is a desire to stop using cocaine and all other mind-altering substances. There are no dues or fees for membership; we are fully self-supporting through our own contributions.

Serenity Prayer

God grant me the serenity to accept the things I cannot change; courage to change the things I can; and wisdom to know the difference.
